

Ortho Tote™

News & Noteworthy

September 27, 2005

Hi there Brian,

Love the ortho tote sample you sent!

Can I get a few more sent, do you have them in other colors? I am going to feature them in the November issue and will need to shoot one, but I'd like to shoot a few of them.

I lug around my laptop as does the publisher and our graphics people, it is AMAZING how much more balanced I feel carrying all my stuff!

Be well,
